

# STORY TREE

## PROBLEM:

Student wants to secretly give a note to a person asking them to an up-coming dance.

1. PUT YOUR CHARACTER UP A TREE.
2. THROW STONES AT HIM.
3. GET HIM DOWN.

## STONE:

Student can't find the right words to write in the note / email.

## STONE:

Puts the note in the wrong locker / school bag / desk.

## SOLUTION:

Student tries to get the note back, but it's too late. Other student finds the note. Reads it and is excited to go to the dance.

**Alternate ending:** student rejects the invite to the dance BUT there's another student who sees this and ASKS *that* student to the dance.
